

Scott School Students Need You To Read To Them

Volunteers are needed for several sessions to read the OAKS State Math test to Scott students grades 3 through 8. All you have to do is read aloud the written words you see on a computer screen. You are not allowed to paraphrase or help students in any other way. Please help us by contacting Terri Schumacher via email tschumac@pps.k12.or.us or calling her at 503.916.6369 ext 72341, to sign up for one or more sessions. If you can't help, please pass this along to friends and/or family members. Having the State Math Test read to our students really does help and you could be the one to make a difference in a child's life.

These high priority sessions currently need adult readers:

As testing gets underway, dates, times and a true count for makeup test readers will be more firmly set. As for now, the following list of dates and times are being set aside for possible makeups. If you'd like to sign up for any of these times, I'll put your name and a way to contact you on the list. If the session isn't needed I can contact you and let you know.
